Chris Ryan's research indicates that "Joliette" was absorbed into "Terrebonne" on January 1st 1870, and was again re-constituted as a separate division on January 1st 1880, when *R. M. Leprohon* was name as the "Collector".

The catalogue lists this 1/2 pound, green, Joliette Division TABAC CANADIEN strip as follows:

The following imperforate strip is a remnant. It has been scissor-clipped from an unfinished imperforate sheet. Since it was not a production item, I feel that it is preferable to simply list it without a separate catalogue number.

1/2 pound, green, *imperforate*, TABAC CANADIEN, Joliette Division, *without* control numbering
Lithographed on *block watermarked* vertical mesh wove
